# MPA

## MESSAGE FROM THE PROGRAMME DIRECTOR

As a global city, Hong Kong is undergoing major political and socioeconomic change. Our public managers and professionals are increasingly challenged by complex problems and dynamic situations. The MPA programme at HKU is designed to prepare students to become public service leaders through equipping them with the analytical and problem-solving skills to meet these challenges.

We are celebrating over 40 years of excellence in providing professional education in public administration this year. With our extensive experience, internationally recognized faculty members, a vibrant student body, and well-designed curriculum, we provide a rigorous and fruitful education for those who wish to prepare themselves for a prominent career in public service. We invite you to read on and explore our MPA programme.

**Wai Fung Lam**  
Professor of Politics and  
Public Administration  
MPA Programme Director

# THE PROGRAMME

## THE CURRICULUM

The curriculum is designed to achieve the following learning objectives:

1. Acquire cutting edge knowledge in public administration and public policy.
2. Understand the changing institutional and political contexts of public affairs.
3. Examine the critical issues and possible solutions to the challenges in governance.
4. Develop professional knowledge and core skills required to become effective public managers and leaders.

## DISTINCTIVE PROGRAMME FEATURES:

- optional live-in courses in the Peking University or the National Academy of Governance
- extensive use of interactive teaching methods
- intensive workshops conducted by distinguished international scholars.
- experience sharing with senior practitioners and professionals from the public, private and nonprofit sectors
- simulation exercises for training various practical skills
- opportunities for one-day shadowing with various organizations

### The MPA Student

Our students are a mix of professionals from the public, business, and non-governmental sectors. The majority have some managerial experience, although a number are from the top tiers of management, who seek to further their career through obtaining an MPA. The diversity of our student body provides exciting and enriching opportunities for exchange and learning in the classroom.

# PROGRAMME STRUCTURE

The MPA is offered on a 2-year, part-time or 1-year, full-time basis. For non-local students from outside Hong Kong, the MPA is offered on a 1-year full-time basis only. Students are required to complete eight taught courses and one capstone project or dissertation in order to graduate. The eight courses include four compulsory courses and four courses from a list of electives.

# GRADUATES' QUOTES

"The MPA programme proved to be an eye-opener for me. Despite having been a technical bureaucrat throughout my career, I was amazed that it had opened so many new dimensions to me in the public administration arena. Subjects like policy formulation, implementation and critical analysis, human resources management, as well as financial management were much more enriching than what I had originally expected from a postgraduate course. In retrospect, I consider the time and effort spent at HKU well worth it for the intellectual as well as practical knowledge with which the programme has equipped me."

## Ir Chi Keung HON, JP

Former Permanent Secretary for Development (Works),  
Development Bureau,  
MPA 1997

"I appreciate how the MPA programme is designed to approach concepts and theories through day-to-day issues in society. All though I had been working in Government for some time, as I went through the programme, I often discovered new perspectives, sometimes enlightened by a more theoretical-based framework, sometimes inspired from an "outsider's" standpoint. The programme would not be complete, however, without the good mix of classmates who brought not only ideas but also fun and laughter during class. The network built up is truly an asset to my career as I have access to contacts across many Government departments. I must say their official and unofficial advice has often made my job easier!"

## Ms. Leonie H.L. LEE

Principal Assistant Secretary,  
Food and Health Bureau  
MPA 2010

"The MPA programme at HKU strikes the appropriate balance between theory and practice; it allowed me to build upon the skills and knowledge I needed in my pursuit to raise the standard of good governance and public service."

## Mr. Alan N. LAI, GBS, JP

Former Ombudsman,  
Office of the Ombudsman  
MPA 1982

"Obtaining a second degree from a renowned university has enhanced my career prospects and opportunities. The benefits of earning an MPA from HKU, however, go beyond graduation. As part of the Alumni Association, my learning and development has continued through priority access to seminars and workshops on public affairs and, more importantly, through connection with a large and highly networked group of alumni and peers."

## Mr. Tak Keung CHEUNG

Executive Director,  
Aviation Security Company Limited  
Former Assistant Commissioner of Police (Operations),  
Hong Kong Police Force  
MPA 2005

# 畢業生感言

MPA 課程確實讓我大開眼界。盡管在我的職業生涯中，我一直以來都是一名技術官員，但 MPA 讓我窺見公共行政領域的更多新視野，這令我非常驚喜。有關政策制定與實施、批判性分析、人力資源管理和財政管理等方面的課程帶給我的收獲遠遠超出了我的預期。回顧透過課程所獲得的學術理論以及實務的知識，我覺得在香港大學所花費的時間和精力是十分值得的。

## 韓志強, GBS, JP

前發展局常任秘書長（工務）  
MPA 1997

香港大學的 MPA 課程做到了在理論與實踐之間取得適當平衡，讓我掌握了提升良好管治和公共服務準則所需的知識與技能。

## 黎年, GBS, JP

前申訴專員公署專員  
MPA 1982

我十分欣賞 MPA 課程透過日常社會事務來引入學術概念與理論的課程設計。雖然我已經在政府部門工作一段時間，但我仍在學習過程中發現嶄新的視角，從理論的框架或從旁觀者角度得到啟發。然而，同學之間的契合也是不可或缺，無論是思想的交流亦或是課堂上所帶來的歡樂，我必須說他們官方或非官方的建議都令我的工作更輕鬆！

## 李愷倫女士

食物及衛生局首席助理 秘書長  
MPA 2010

獲得享譽國際大學的第二學位令我的職業前景和機會進一步開闊。然而，獲得香港大學的 MPA 學位所得遠不止於此。作為校友會成員，我可以優先參與相關公共事務的研討會及工作坊，更重要的是，我可以從廣泛人脈中與校友和同輩建立關係，進一步拓展學習與發展。
